

Honolulu Hale: Honolulu, HI: Historical Restoration Project: B308 Canyon Red Blend

8-inch Straight Barrel Mission

8-Inch Straight Barrel Mission clay roof tile has been produced on the West Coast for more than 100 years and can be seen on many churches, civic centers, and universities. MCA is able to reproduce this timeless classic for restoration of historical projects, as well as for new construction. MCA has mastered the art of replicating the colors and textures of very old tile to match existing tile on earlier period buildings, or to give new buildings a historic appeal.

8-Inch Straight Barrel Mission tile is made in the USA and is ASTM C1167 Grade I, the highest quality of clay roof tile available. Competitively priced, this product is also backed by a 50-year limited warranty.
