

C16 Matte Black - Rancho Santa Fe, CA

MCA's MF108 Flat Interlocking Tile accentuates any architectural theme and makes an impressive statement on any style building or home. It will keep its distinctive appearance while withstanding constant exposure to weather conditions. MF108 is used extensively on commercial, institutional buildings, military buildings and resort projects, as well as custom homes. There are 108 pieces per square, which makes it labor efficient and provides cost savings.

This beautiful clay tile is available in Natural Red and various glazed colors. Custom colors are also available.

Using MF108 Flat tile truly defines the results of art, craftsmanship and the opportunity to experience lasting beauty.

A 50-Year Limited Warranty is available on all MCA tiles.
